ONE DAY WORKSHOP

On

ANSYS®

On 20th September 2019

Organized By

Department of Mechanical
Engineering,
Sri Raaja Raajan College of
Engineering &
Technology, (SRR CET)
Amaravathipudur, Karaikudi-
630 301.
Convenor
Mr.R.Ramasamy, HoD, Mechanical

ABOUT THE INSTITUTION

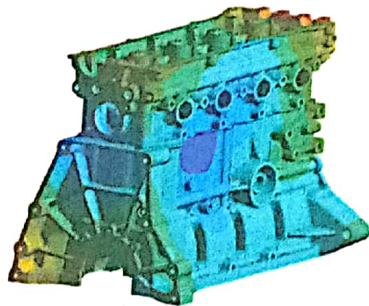

Sri Raaja Raajan College of Engineering & Technology is one of the upcoming pioneers Engineering Institution in Tamilnadu. Sri Raaja Raajan College of Engineering & Technology was established in the year 2010. The college offers B.E. programs in Mechanical, ECE, EEE, CSE, Civil and M.E program in Manufacturing Engg, Structural Engg, Power Electronics & Drives & Computer Science & Engg.

ABOUT THE DEPARTMENT

The Mechanical Engineering Department was established in the year 2010 with the vision of producing Mechanical Engineering graduates who are technically sound with excellent management skills and innovative research tactics and who will serve the society upholding moral values, striving to make our country more competent across the globe under the guidance of the highly accomplished faculty with spacious laboratories.

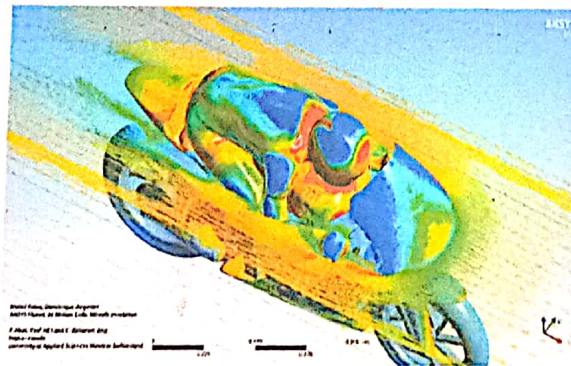

The Department carries out workshops, conferences, seminars, continuous education programs and various other activities that help to establish academic excellence and inculcate professional expertise of faculties and students.

It strives to produce professionals who serve the society with a deep ethical sense and professionalism.

ABOUT THE COURSE

Ansys software is used to simulate computer models of structures, electronics, or machine components for analyzing strength, toughness, elasticity, temperature distribution, electromagnetism, fluid flow, and other attributes. Ansys is used to determine how a product will function with different specifications, without building test products or conducting crash tests. Most Ansys simulations are performed using the Ansys Workbench system, which is one of the company's main products. Ansys also develops software for data management and backup, academic research. This workshop will be conducted on the basis of IPR (Intellectual Property Rights)

RESOURCE PEOPLE

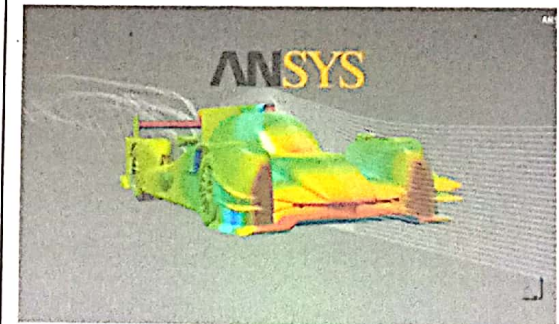

1. Mr.R.Ramasamy, HoD, Mechanical Engg.
2. Mr Karuppasamy, GM, Axis Cadd

ELIGIBILITY

Students (UG,PG)/ Faculty Members from any Engineering Department affiliated to any university recognized by AICTE Delhi can participate. **Registration fee for external participants only.**

UG/PG Students Rs. 100/-

Faculty Rs. 300/-
The payment should be made by DD drawn in favor of " THE PRINCIPAL, SRI RAAJA RAAJAN COLLEGE OF ENGINEERING & TECHNOLOGY" payable at Karaikudi.

ABOUT THE INSTITUTION

Sri Raaja Raajan College of Engineering & Technology is one of the upcoming pioneers Engineering Institution in Tamilnadu. Sri Raaja Raajan College of Engineering & Technology was established in the year 2010. The college offers B.E. programs in Mechanical, ECE, EEE, CSE, Civil and M.E program in Manufacturing Engg, Structural Engg, Power Electronics & Drives & Computer Science & Engg.

ABOUT BHARATHIDASAN UNIVERSITY

Bharathidasan University was established in February 1982, named after the great revolutionary Tamil poet, Bharathidasan (1891-1964). The University strives hard to fulfill the motto by creating an academic atmosphere in the region to see a brave new world of innovation that brings about social change. The University has been accredited with 'A+' Grade by NAAC in the third cycle in April 2019. Bharathidasan University has advanced to 53rd Rank among the Indian Universities in National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development, Government of India, for the Year 2020. In South Asia, among the universities and institutions of science and technology that figured in the list of university ranking, Bharathidasan University has secured 49th Rank as per the ranking of Webometrics, the Ranking of World Universities.

ABOUT THE DEPARTMENT

The Mechanical Engineering Department was established in the year 2010 with the vision of producing Mechanical Engineering graduates who are technically sound with excellent management skills and innovative research tactics and who will serve the society upholding moral values, striving to make our country more competent across the globe under the guidance of the highly accomplished faculty with spacious laboratories. The Department carries out workshops, conferences, seminars, continuous education programs and various other activities that help to establish academic excellence and inculcate professional expertise of faculties and students.

SCOPE OF THE COURSE

- To enhance the ability to create a model for various computer programs that aids the functioning of the mechanical device in drilling, shaping and cutting materials used for production in industries
- To write or create unique patterns of translation, inputting instructions into the computer system with specific modes of commands which the device responds to accordingly.
- To set-up computerized machines to perform machine functions on work piece
- It will enhance the ability to carry out maintenance measures to ensure good condition of machines

**ONE DAY WORKSHOP
ON "3D MODELLING
SOFTWARE –
SOLID WORKS"**

On 1st FEBRUARY 2018

Organized By

**Department of Mechanical
Engineering,**
**Sri Raaja Raajan College of
Engineering &
Technology, (SRR CET)**
Amaravathipurur, Karaikudi
630 301.

Convenor
Mr.R.Ramasamy,
HoD, Department of Mechanic
Engg

ABOUT THE INSTITUTION

Sri Raaja Raajan College of Engineering & Technology is one of the upcoming pioneers Engineering Institution in Tamilnadu. Sri Raaja Raajan College of Engineering & Technology was established in the year 2010. The college offers B.E. programs in Mechanical, ECE, EEE, CSE, Civil and M.E program in Manufacturing Engg, Structural Engg, Power Electronics & Drives & Computer Science & Engg.

ABOUT THE DEPARTMENT

The Mechanical Engineering Department was established in the year 2010 with the vision of producing Mechanical engineering graduates who are technically sound with excellent management skills and innovative research aptitudes and who will serve the society upholding moral values, striving to make our country more competent across the globe under the guidance of the highly accomplished faculty with spacious laboratories.

The Department carries out workshops, conferences, seminars, continuous education programs and various other activities that help to establish academic excellence and inculcate professional expertise of faculties and students.

It strives to produce professionals who can serve the society with a deep ethical sense and professionalism.

ABOUT THE COURSE

SolidWorks is a solid modeling computer-aided design (CAD) and computer-aided engineering (CAE) computer program published by Dassault Systèmes, that runs primarily on Microsoft Windows. DS Solidworks Corp. has sold over 3.5 million licenses of SolidWorks worldwide. This includes a large proportion of educational licenses. Its user base ranges from individuals to large corporations, and covers a very wide cross-section of manufacturing market segments. Commercial sales are made through an indirect channel, which includes dealers and partners throughout the world. In the United States, the first reseller of SolidWorks, in 1995, was Computer Aided Technology, LLC, headquartered in Chicago. SolidWorks also partners with third-party developers to add functionality in niche market applications like finite element analysis, circuit layout, tolerance checking, etc. SolidWorks has also licensed its 3D modeling capabilities to other CAD software vendors, notably ANVIL.

RESOURCE PERSONS

1. Dr. X.Hyacinth Suganthi
Principal, SRR CET
2. Mr.R.Ramasamy
HoD, Department of Mechanical Engg.

ELIGIBILITY

Students (UG,PG)/ Faculty Members from any Engineering Department affiliated to any university recognized by AICTE Delhi can participate.

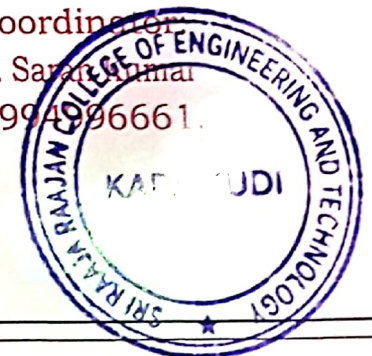

Registration fee for external participants only

UG/PG Students	Rs. 200/-
Faculty	Rs. 400/-

The payment should be made by DD drawn in favor of " THE PRINCIPAL, SRI RAAJA RAAJAN COLLEGE OF ENGINEERING & TECHNOLOGY" payable at Karaikudi.

For Further Details contact:

1. HoD, Mechanical Engg.,
7373711318,
Coordinator
