Name of the programme:

**Field visit to CHETTINAD VINTAGE CAR AND
CAMERA MUSEUM**

Venue : Pillaiyarpatti

Date : 10.12.2021

Two staff coordinators Mrs.Sathya and Mrs.Vasuki accompanied the students of Sri Raaja Raajan College of Engineering and Technology to Chettinadu vintage car and camera museum which is situated in Pillaiyarpatti. Nearly 60 students of 1st year visited the great Pillaiyarpatti museum. The museum consists of rare photographs and excellent historical collections. The museum also consists of some ancient paintings, pots, manuscripts etc.. The museum is neatly maintained. Really revisiting the past is something which admires us. Seeing the old age cars like Plymouth and all roaring were something which can never be forgotten. ...

FIELD VISIT PHOTOCOPY

OLD-RECENT MODEL CAMERA DISPLAY

A newer type of digital camera that is continually growing in popularity is the mirrorless system. A mirrorless camera usually gives you all the same capabilities and features as a DSLR, but in a slightly smaller package. They are very quiet—there is no loud “click-click!” when you snap a photo.
