DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

WORKSHOP REPORT

ABOUT THE WORKSHOP

- A workshop, in general, is a gathering in which a group of people with interests, expertise, or professions in a particular field, are actively involved in intensive discussion and research on a specific topic or project.
- Workshops provide a chance to interact with experts from the specific field.
- Discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject.

VISION

Serving as a Fountainhead of higher learning, with the mission of taking the light of knowledge to the depth of darkness and uplifting the humblest and simplest of the community by providing education, the greatest world treasure, and through earnestly striving for continuous improvement, this institution intends to promote educational inclusion among a broad spectrum of unreached rural youths by functioning as a Centre of Excellence.

MISSION

Keeping quality as its Watchword Sri Raaja Raajan College of Engineering and Technology is a classic example of public-private academic partnership.

- The college intends to offer programmes with inbuilt state-of-the-art courses at the undergraduate level in the first phase to fulfill the requirement of trained manpower in technology.
- To produce exceptionally competent professionals through personalized teaching and graduates who are ethically upright and educationally bright to render service of global standards.

OBJECTIVES

- The purpose of a workshop is to create a space in which a group of people can meet to discuss questions, brainstorm ideas, identify problems, make decisions and develop solutions.
- This space often doesn't exist in the busy schedule of day-to-day work.
- Workshops provide a chance to interact with experts from the specific field.
- Discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject.

ABOUT SRR CET

SRI RAAJA RAAJAN COLLEGE OF ENGINEERING & TECHNOLOGY is a technical institution promoted by Sri Muthumari Educational Trust, established in the year 2010. The college is approved by All India Council of Technical Education (AICTE), New Delhi and is affiliated to Anna University, Chennai.

COURSES OFFERED

UG Programme:

- B.E. Computer Science & Engineering
- B.E. Electronics & Communication Engineering
- B.E. Electrical & Electronics Engineering
- B.E. Mechanical Engineering
- B.E. Civil Engineering

PG Programme:

- M.E. (Computer Science & Engineering)
- M.E. (Manufacturing Engineering)
- M.E. (Power Electronics and Drives)
- M.E. (Structural Engineering)

THE DEPARTMENT

The Department of Electronics and Communication Engineering is one of the best technically equipped departments with adequate space, excellent classrooms and Seminar Hall equipped with OHP/LCD projector, and state-of-the-art laboratories.

The Department offer in BE (ECE), affiliated to Anna University and approved by AICTE, Chennai, The department undertakes real-time projects for the final year students in U.G., with a view to making students serve society, and true to our motto "to live to learn, learn to serve".

ABOUT THE COURSE

- The workshop is organized by Department Of ECE. **Computer-aided design (CAD), Computer Aided Engineering (CAE) & Project Management** software provides an efficient, easier & cost-effective method for modeling and designing critical parts, components, and structural's with enhanced quality and accuracy.
- IBR provides a common platform for latest developments, inventive research works and issues to be discussed and experimented for future collaboration, amongst the researchers, academicians and industrialists across the nation.

COURSE CONTENT

- Basic CAD (Computer-Aided Drafting) skills application. Mechanical packaging and component selection 3)
- Schematic Capture: electronic and electromechanical circuit drawings
- Wiring diagrams
- Schematic diagrams
- Logic diagrams
- Introduction to PCB design and manufacturing

OUTCOMES

- Use appropriate software to correctly draw component symbols, used in conventional graphical representations of an electrical circuit.
- Develop documentation for block diagrams, flow charts and wiring to describe the details of the diagram.

WORKSHOP REPORT

ONE DAY WORKSHOP On 'EMBEDDED SYSTEM BASED ON IOT' held On 21th FEBRUARY, 2022
At Sri Raaja Raajan College Of Engineering And Technology Amaravathipudu Karaikudi

The Workshop on embedded system organized by dept of ECE, Sri Raaja Raajan College of Engineering and Technology. The Workshop was attended by about 70 participants which included Chief Guests, HOD's, Staff members and Students. The occasion was marked by Department of ECE Sri Raaja Raajan College of Engineering and Technology Amaravathipudur, Karaikudi 2021-2022. Mrs.K.Isabella Rani, Assistant Professor Department of ECE Sri Raaja Raajan College of Engineering and Technology Amaravathipudur Karaikudi, in her inaugural address appraised the participants of the efforts taken by SRR CET in Electronics and communication during the year. On chief guest address Shri.Janakiram Kumar, IOT developer Pristatech Private Ltd., and ShriA.Manavalan IOT developer, C Cube Technologies indicated that facility for the students to work both theoretically as well as practically. He urged Student to take steps to know about Embedded and it's applications.. He called up on all students to come together dealing well with embedded along with the Real time opportunities.

The Workshop had in depth discussions on issues concerning the Recent trends in embedded systems and its real time applications, How the scholars get opportunities and also research oriented Challenges. The Workshop provided valuable inputs to the Students which would help them to steer their efforts towards Career development of them.
