#### REPORT

Spot of the road safety week or SRS City has organised the program on road safety at on 22.7.2021 . Around 100 students participated for the program the traffic police was invited and he give lecture on awareness about road safety.

It is essential that one must know about road safety awareness in education. Every year 1000 peoples lose their lives due to road accidents, and the people should take necessary steps to prevent them.

Students were educated about several factors contribute to road accident such as reckless driving over speeding, driving under the influence of alcohol and not wearing seat belts The objective of the program was to educate students to follow the traffic rules without any violations.
