REPORT EVENT

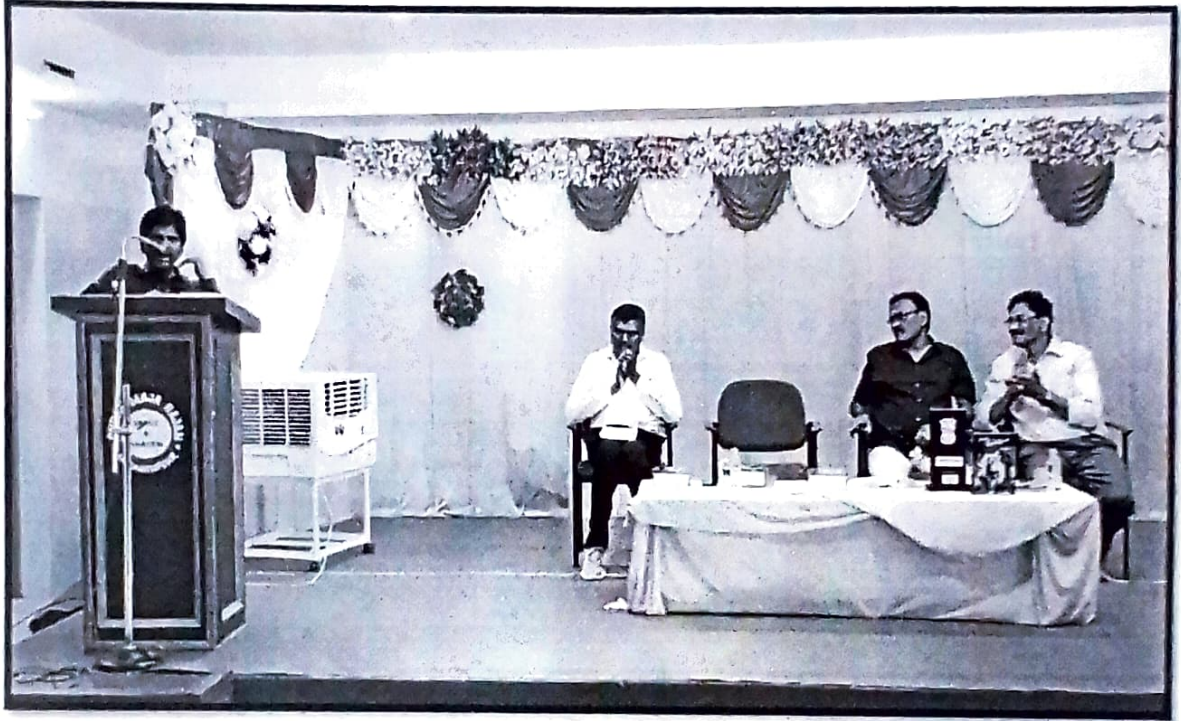

INTERNATIONAL DAY OF ZERO TOLERANCE OF FEMALE GENITAL MUTILATION – AWARENESS PROGRAMME

Female genital mutilation (FGM) comprises all procedures that involve altering or injuring the female genitalia for non-medical reasons and is recognized internationally as a violation of the human rights, the health and the integrity of girls and women. Girls who undergo female genital mutilation face short-term complications such as severe pain, shock, excessive bleeding, infections, and difficulty in passing urine, as well as long – term consequences for their sexual and reproductive health and mental health. Although primarily concentrated in 30 countries in Africa and the Middle East, female genital mutilation is a universal problem and is also practiced in some countries in Asia and Latin America. Female genital mutilation continues to persist amongst immigrant populations living in western Europe, North America, Australia and New Zealand.

Female Genital Mutilation is internationally as a violent act against girls and a violation of their human rights. On 6th February 2020, Awareness programme on zero Tolerance of female genital Mutilation was furnished by Ganesh College of Engineering together with JCI Salem organized by Association of YRC and RRC. More than 140 Students of our college were participated in this awareness programme. The presidential address was given by our Secretary-----, welcome address was given by our principal, President of Lions Club devakottai Town was given special speech about FGM. This session was very valuable to our students for getting awareness and knowledge about female genital Mutilation .
