### REPORT

NSS Volunteers of SRRCET attended Dental Camp at Prabhu Dental clinic. Around 100 students participated in this programme Experts started that regular dental visits are important because they help keep your teeth & gums healthy. One should have a regular dental visit at least every six months. Our students not only earned that their check up is done , they also stood out as an eamble for everyone else to follow regular dental hygiene by getting a checkup done.

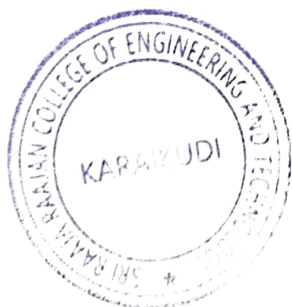

NSS volunteers interacted with the staff at the hospital and gained important information about dental health, they intend to pass it on to locals during various interactions & camps that they regularly organize for people.

Our team thanked the hospital staff for assisting them in endeavor

DENTAL CAMP
