### **REPORT ON EVENT**

### **WOMEN'S EMPOWERMENT PROGRAM**

Women Empowerment helps in boosting the status of women through literacy, education, training and awareness creation. Furthermore, women's empowerment refers to women's ability to make strategic life choices which had been previously denied them. It is argued that women higher education increase employment opportunity. Similarly, employed women are able to contribute to the economy of family as well as socioeconomic development of the country. Empowerment cannot be fully achieved without the women's full participation in education as well as employment.

Sri Raaja Raajan College of Engineering and Technology conducted a program regarding International Women's Day on 4<sup>th</sup> October, 2018. We invited Mrs. Dr. Angaiyarkanni, Principal of Sri Raaja Raajan College of Women Education as a guest of honour for this programme.
