REPORT

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet and 100 volunteers are benefitted through this awareness programme. Keeping this aim in view, NSS, Sri Raaja Raajan college of Engineering and Technology, celebrated world Environment Day by planting saplings of endangered plant species to make our campus green . Students were also encouraged to plant sapplings at their home.
