REPORT ON EVENT

SRRCET has organized program on corona awareness program through online during covid. Nearly 40 students attended this online awareness program Dr. SP.S.Nathan from Siva clinic advice to the students.

Protect yourself and those around you:

- ❖ Get vaccinated as soon as it's your turn and follow local guidance on vaccination.
- ❖ Keep physical distance of at least one meter from others, even if they don't appear to be sick. Avoid crowds and close contact.
- ❖ Wear a properly fitted mask when physical distancing is not possible and in poorly ventilated settings.
- ❖ Clean your hands frequently with alcohol-based hand rub or soap and water.
- ❖ Cover your mouth and nose with a bent elbow or tissue when you cough or sneeze. Dispose of used tissues immediately and clean hands regularly.
- ❖ If you develop symptoms or test positive for COVID – 19, self isolate under you recover.

Students were benefited and got a certificate for attending the program.

DON'T PUT OFF NECESSARY MEDICAL APPOINTMENTS

Life has to continue even when COVID-19 is spreading. Here's how to stay safe.

BEFORE YOUR RISK

Call your doctor to schedule an appointment. If you have symptoms, call your doctor to discuss your symptoms and whether you should come to the office.

Wash your hands with soap and water for at least 20 seconds.

BEFORE YOU GO OUT

Wear a mask when you are around other people, especially in public places.

If you have a fever, cough, or difficulty breathing, avoid public places.

WHILE WAITING FOR YOUR APPOINTMENT

Avoid contact with other people in the waiting room. If you have symptoms, avoid the waiting room.

REMEMBER, IT'S ALWAYS SAFER TO

KNOW YOUR RISK. LOWER YOUR RISK.

Wash your hands frequently using soap and water or an alcohol-based hand rub.

Cover mouth and nose with flexed elbow or tissue when coughing or sneezing. Dispose of used tissue immediately.

Avoid close contact with anyone who has cold or flu-like symptoms.

Regularly clean and disinfect frequently touched surfaces like phones, electronic light switches and countertops.

Seek medical care early if you or your child has a fever, cough or difficulty breathing.
