---

Tree Plantation programme was held in our college campus on 16 th June 2023 at 11:00 AM. The students of 1st year students actively participated in the programme, under the National Service Scheme at college campus.

Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub> . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was began with the welcoming of guest. Welcome speech has been given by the Programme Officer Prof. N.Rajeswari. At that time Principal advice to volunteers to think differently for the Society to make positive changes and to make improvement.

After the inspirational words of guests and Principal we all move towards the place where tree plantation took place. A very first sapling was planted by Dr.A.Elango, Principal of the college. Total tree planted by all others including teachers, volunteers was more than 120 on that day. All were happy and experienced proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

At the end of programme there was a photo session with Principal, faculty and students.
