REPORT

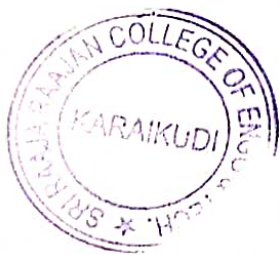

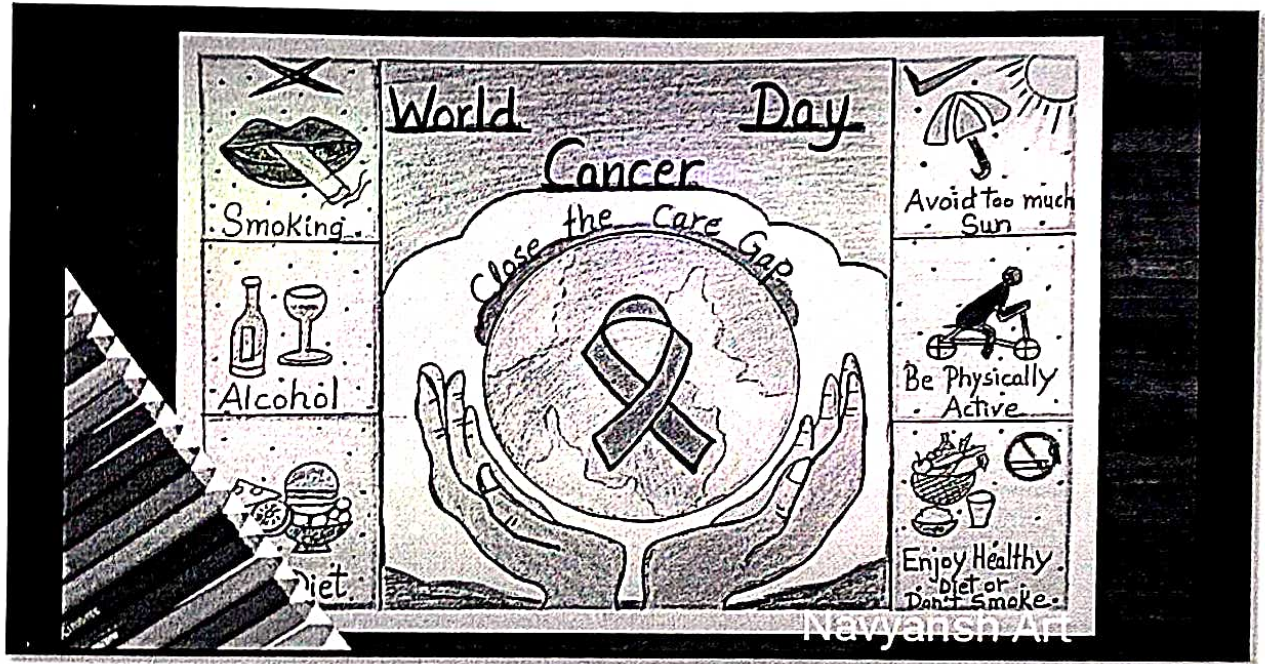

CANCEROUS AWARENESS PROGRAM –HUMAN CHIAN

A Pathology report is a medical document that gives information about a diagnosis, such as cancer. To test for the disease, a sample of human suspicious tissue is sent to a lab. A pathologist studies it under a microscope and tests it for more information.

Sri Raaja Raajan College of Engineering & Technology conducted Online awareness program to create knowledge about cancer on Febreuary 4th, 2021. Our college Secretary Ms.Isbella Rani, Principal Mr.Mahalinga Suresh and nearly 60 students were formed a Human chain in front of our Institution. Cancer is a threatening disease which costs even our life. Hence the awareness should create for the welfare of our students as well as for the public.
