REPORT

Department of Electrical and Electronics Engineering has conducted Add on Course Titled "INDUSTRIAL INTERNET OF THINGS" on 23.8.2021 to 27.08.2021. This program started with an inauguration function. Department of Electrical and Electronics Engineering student Mr.A.Vigneshwaran third year, B.E, deliver welcome address. Resource person Mr.G.Vinith has address a key note about the program. The Principal, Dr.A.L.Mayilvahanan, Sri Raaja Raajan college of engineering and Technology, karaikudi and the Head of Department, Mrs. N. Rajeswari of Sri Raaja Raajan college of engineering and Technology, Karaikudi has consented felicitation address. The students learnt basics of INDUSTRIAL INTERNET OF THINGS. Create and maintain hardware requirements specification and hardware interface control documents. The program was successfully completed on27.08.2021 with a valedictory function. Resource person Mr.G.Vinith and students of Department of Electrical and Electronics Engineering express feedback about the program and participation certificates are distributed to all the participants. The program valedictory with an vote of thanks by the student Mr. Selvakumar Final year, Department of Electrical and Electronics Engineering national anthem.
