PRINCIPAL'S MESSAGE

The educational system should support an education that equips students with the skills necessary to excel in all spheres of life outside the classroom, including overcoming obstacles and adapting to changing circumstances with fortitude, courage, and a strong sense of social responsibility. At SRR CET, we are committed to train top-tier professionals who will work tirelessly to serve the organisation and society with integrity while demonstrating a high level of competence. Employees are continually lifting the standard, as evidenced by the shifting global economy and market. It is difficult for the educational system to set even higher standards to satisfy employer expectations.

ABOUT SRRCET

SRI RAAJA RAAJAN COLLEGE OF ENGINEERING AND TECHNOLOGY

ABOUT US

Sri Raaja Raajan College of Engineering and Technology was established in 2010 by Sri Muthumari Charitable and Educational Trust with a view to create an Engineering Degree Institute to fulfill the long felt public need of an Institute of Excellence in Karaikudi. The trust is located at Karaikudi. Sri Muthumari Charitable and Educational Trust is assisted by the Governing and Advisory Council in matters of Policy, Planning and Development of the Institutions. The Trust lays stress on providing quality education and maintaining high degree of discipline. To meet the demands of the people, SRRCET has Six UG Programmes and Three PG Programme in the most covered disciplines considering both industrial need and public preference. These courses would lead to award of the Degree of Bachelor of Engineering (B. E.) and Master of Engineering (M.E.) SRRCET is approved by AICTE and is affiliated to Anna University, Chennai.

VISION

To function as a center of excellence with world-class instructional and infrastructural facilities to realize the vision of producing highly disciplined, talented students to serve humanity in unparalleled style.

MISSION

To produce exceptionally competent professionals through personalized teaching and graduates who are ethically upright and educationally bright to render service of global standards.

QUALITY POLICY

Sri Raaja Raajan College of Engineering and Technology is striving hard continuously to achieve academic excellence in Science, Engineering, Technology, Management and Research (SETMR) and to produce the most competent Scientists, Engineers, Entrepreneurs, Managers and Researchers (SEEMR) through objective and innovative teaching methods, dedicated and duty conscious and consistent updating of facilities, welfare and quality improvement of the faculty and a system of continuous process improvement.

- Sterling approach to inculcate entrepreneurship and corporate skills incorporating moral and ethical values.
- Rendering the students to improve the quality of the learner experience by monitoring, reviewing and continuously improving the modus operandi of our teaching and training.
- Raising a high quality human resource capacity with focus on professionalism and dedication.
- Collaborating with institutions and industries to improve the technical know-how and the opportunities in the global market.
- Enhancing the competence of the members of faculty to make them adopt latest technological methods in teaching and learning process.
- Transcending the barriers to innovation to transform into a hub of R&D to disseminate knowledge.

BEST FEATURES OF SRRCET

- Very Reasonable Fee Structure.
- Specialized Robotics lab for AI & DS students.
- A very good library with huge collection of books and a digital library with a collection of e-books
- A full-fledged computer lab to keep the students in pace with contemporary advancements with online test preparation.
- Transport facility from any place in and around the institution
- An excellent educational infrastructure with well- ventilated and well –furnished classrooms.
- Enriched with a Laboratory with 60 Hi-End systems, for developing web, programming, AI based solutions.
