PLACEMENT CELL REPORT

- ❖ Training and Placement Cell of Sri Raaja Raajan College of Engineering and Technology is one of the most versatile and dynamic units, which works continuously and actively towards shaping the students to choose appropriate career. It is involved in arranging training programs to improve the Students' personality, soft skills and aptitude. Several value added courses are conducted in various domains and communication classes are conducted to enable the students to improve their spoken and written communication in English.
- ❖ The team is headed by a full time Faculty, who has rich experience in both academic and other areas related to placements and training. It also includes coordinators from various departments to ensure that every student in their department is taken care of individually.
- ❖ The responsibility of the cell is wide and it works in collaboration with HODs and Alumni to help the students in the best possible way to secure the best possible placements before he or she leaves the Institution.
- ❖ Active connection with prestigious and Entrepreneurial Alumni and connecting with them to tap their services, integrating the efforts with providing high end value added trainings to students to face the challenges in the job market are very much appreciated by the stakeholders, organizing entrepreneurial and skill based activities are some of the unique features of the Training & Placement Cell of SRRCET.
