

PLACEMENT CELL REPORT 2024-25

Our Training and Placement cell team conducted all the Placement training, Placement orientation, Placement drive and Internship programs. All the first year to final year students attended the placement training and orientation programs. All the final year students attended the placement drive.

The significant achievement of the Training and Placement Cell for the Academic Year 2024–25 is the **placement record of 90%** of total Final Year Students. Reputed companies across various sectors—including IT, Core Engineering, Finance, etc. participated in our placement drives, offering competitive salary packages and promising career opportunities.

Some of the key recruiters in this Academic year include:

		TOTAL	133

The cell has consistently strived to enhance the employability of students by conducting a series of career-oriented training sessions, soft skills workshops, mock interviews and industry interaction programs throughout the year.

1. **Skill Development Programs:** Organize training sessions to enhance students' soft skills, technical skills, and overall employability. Topics can range from communication skills to resume building and interview preparation. A one-day ***Power of communication Program*** has been organized on 14.03.2025 to all the final year students. The program was conducted by Mr.K.Azhagumurugan, Director of English Academy, and Pudhukkottai. Totally **130** students got benefited by this program.
2. **Career Counseling Services:** Offer one-on-one career counseling services to students. A One-day ***LinkedIn Career Kick-Starter Program*** has been organized on 05.03.2025 to all Third Year Students. The program was conducted by FACEPREP, Coimbatore. Totally **364** students got benefited by this program.
3. **Internship Opportunities:** Internship Programme for III Year students have been arranged during the semester end vacations to the following Industries:
 - **Besant Technologies, Chennai – 14 Students (AGRI, ECE & CSE)**
 - **RR Electronics, Chennai – 04 students (ECE)**
 - **Marcello Tech, Trichy – 02 students (ECE & EEE)**
 - **Astro Web solutions, Madurai – 24 students (AGRI, ECE & CSE)**
 - **Hexaware, Karaikudi – 16 students (CSE, ECE & EEE)**
4. **Professional Development Seminars & Programs:**
 - ✓ A ***Knowledge Sharing Session*** by **Dr. A. Ilangovan, Director of EXCELOK TECH, Singapore** has been organized on 28.04.2025 to the Final Year Students. Around **130 students** got benefited by this program.
 - ✓ A One-day Seminar on ***"Opportunities for Mechanical Engineers"*** has been arranged for all Mechanical Engineering students on 22.03.2025 by **Dr.A.Andrew, Director/IQAC, SRR CET**. Around **60 students** got benefited by this program.

- ✓ On **11th March 2025**, a motivational program titled "**Hidden Potential Program**" was conducted for the featuring **Mr. S. Vinaitheerthan, Divisional Manager (Retd.), LIC, Karaikudi**, as the chief guest and keynote speaker.
 - ✓ On **14th March 2025**, a "**TNPSC Awareness Program**" was conducted in association with **TAF IAS Academy, Karaikudi**, to create awareness among students about TNPSC examinations and opportunities in the Tamil Nadu government sector.
5. **Resume Building Support:** Assist students in creating professional resumes and cover letters. Provide templates, workshops, or one-on-one sessions to help students highlight their skills and experiences effectively.
 - ❖ A One-day Work-shop on "**Resume Building**" has been arranged for all Mechanical Engineering students on 22.03.2025 by **Dr.K. Senthamarai, Dean/Mechanical, SRR CET**.
 6. **Mock Interviews:** Conducted mock interview sessions to prepare students for real job interviews. Provide feedback on their performance and suggest areas for improvement.
 7. **Online Presence:** Maintain an active and updated online presence through social media platforms and the college website. Regularly post about job openings, career tips, and success stories of alumni.
 8. **Feedback Mechanism:** Establish a feedback system where students can provide input on the effectiveness of all the programmes organized by Placement Cell. Use this feedback to continuously improve the quality of programmes. Also feedback from recruiters have been obtained regarding the quality of students and placement supports provided during campus recruitment process and actions have been taken on their feedback.
 9. **Collaboration with Faculty:** Collaborate with faculty members to integrate practical skills and industry-relevant knowledge into the curriculum. In effect of this discussion, the subject "CME-388: Industrial Safety" is added in the curriculum for Mechanical Engineering V-Sem students as an elective subject.
 10. **Post-Placement Support:** As an effort towards post placement support, the placement cell arranges the following for the newly placed students:
 - ❖ Enable smooth joining process in the Industry, with continuous contact with student and HR of the Industry.

- ❖ Also help the students in identifying suitable accommodation facility through respective industry HR and Alumni in that location.

11. Continuous Learning for Placement Team:

The placement team attended “*Science and Technology Capacity Building for Industrial Needs*” Program at Alagappa Chettiar College of Engineering and Technology, Karaikudi. Around **136 students and 4 staffs** got benefited by this program. This initiative has motivated the Placement Cell to better prepare students for successful careers after graduation, with a stronger focus on skill-building and industry readiness.
